“The courses offered and sanctioned capacity may change”

Director's Message

Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR) is a premier Institute with a clear vision and mission of training students in pharmaceutical sciences starting from Diploma Program where they will be imparted knowledge and training to equip them to work in hospital, retail pharmacy, repacking units and cosmetic industries. In B. Pharm Program they are given a broad outline of pharmaceutical sciences in theoretical as well as practical aspects to equip them to work in drug regulatory agencies, analytical pharmacy and manufacturing pharmacy and in M. Pharm Program they have eight postgraduate courses to choose from in subjects like Pharmacology, Pharmaceutics, Pharmaceutical Chemistry, Hospital Pharmacy, Herbal Drug Technology, Clinical Research, Quality Assurance and Pharmaceutical Management which will equip them to work both in Academic Institutions as well as Pharmaceutical Industries.

We have a team of dedicated faculty and laboratory staff and supporting administrative staff who are ever striving to prepare the students to face the challenges of Pharmaceutical Industry and Academia. DIPSAR boasts of state-of-art infrastructure that includes well stocked library, indoor and outdoor sports facilities, food court, 24-h internet facility etc. In addition there are six hostels (two for boys and four for girls with mess facility) that provide comfort, safety and academic and esthetic ambience to out-station students.

I take the privilege to invite the aspiring, meritorious students to join the institute and contribute positively in health care of the nation.

Prof. (Dr) B.P. Srinivasan

INSTITUTIONAL PROFILE

DIPSAR is a premier institution known for its high standards in teaching and research in Pharmaceutical Sciences. It was established in 1964 as Department of Pharmacy of the Kashmere Gate Polytechnic for imparting Diploma in Pharmacy. It moved to the present campus

in 1979 and since then has developed into a well equipped institute aiming for the highest standards in academic excellence. It has been constantly churning out top class pharmaceutical scientists & Pharmacist significantly contributing towards health care.

MOTTO

- To produce high-class Pharmaceutical Scientists by awarding Ph.D, M. Pharmacy degrees to meet the global requirements for Drug Discovery and Development, Quality Assurance and Regulatory Affairs etc.
- To produce high class Industrial/Community Pharmacist to serve ailing community by awarding B. Pharmacy and D. Pharmacy.

- To conduct research in national thrust areas like anti-fertility & infertility, clinical research, development of drugs for ocular diseases, anti-cancer, hepato-protective, ant-diabetic drugs in diabetes & its complication, anti asthmatic drugs, analytical method development of drugs in dosage form, novel drug delivery, isolation and characterization of active principle(s) from herbal sources, herbal drug standardization etc.
- To disseminate information regarding pharmacological actions of various drugs, especially, therapeutic uses, pharmacovigilance, drug-drug Interaction, drug- food Interactions etc. to the general public. Also to provide information regarding antidotes for various poisons to medical & bio-medical personnel & general public through MAPIC (Medicine and Poison Antidote Information Centre).
- To upgrade skills & qualification of Pharmacy College teachers across the country (under QIP of AICTE, Govt. of India).

VISION OF DIPSAR

Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR) is serving with a vision to prepare quality pharmacists at various levels for our country. Adequate guidance, extensive training with broad vision is provided to students through multi dimensional programmes by the experienced faculty coupled with latest tools and techniques in Pharmaceutical Sciences to make them potential leaders in the profession of pharmacy.

In addition to the existing departments (Pharmacology, Pharmaceutics, Herbal Drug technology, Pharmaceutical Chemistry, Pharmaceutical Management, Hospital Pharmacy, Quality Assurance and Clinical Research), it has been planned to expand and diversify the Institute further by opening additional centre to cater the needs of academia , industry & profession.

The Lt. Governor, GNCT of Delhi has declared the first Pharmacy University of India, and perhaps Asia by the name of Delhi Pharmaceutical Sciences & Research University, a state university, w.e.f. 1st Feb, 2010 was enacted by Govt. legislation on 11th September, 2008.

JOB OPPORTUNITIES AND PLACEMENT OF STUDENTS

In DIPSAR almost 100 percent students of Bachelors and Masters in pharmacy are placed in different Multinational and National Pharmaceutical Companies of repute majority through campus interviews before completion of their respective degrees. This year also many reputed companies have conducted campus interviews in the institute.

CAMPUS PLACEMENTS

The Institute has active placement cell and we have been having close to 100% placements in leading national and multinational pharmaceutical companies and academic institutions of repute at all levels, i.e. undergraduate, postgraduate (all branches), Ph D and Diploma level. All the Bachelors and Masters students are placed in different multinational and national pharmaceutical companies through campus interviews even before completion of their respective degree. This year campus interviews have been conducted in the college by reputed companies viz. **Matrix, EVS, Guardian, Jubilant, WNS, APC, Ranbaxy, Martin-Harris, Viva, Dabur, Indigene, Heron, Religare, Jubilant, Religare-wellness, Apothecaries** etc.

The college is experiencing a fast academic growth to the challenges of the 21st century. In the highly competitive environment, the college

is capitalizing on its strengths in areas such as academic innovation, comprehensive training and flexible educational delivery systems. Widely acknowledged for its innovative and responsible role, for which it is entrusted, the “Delhi Institute of Pharmaceutical Sciences and Research” has produced top class Pharmaceutical Scientists for the technological up -gradation of the industry and for service to the community in all branches of pharmaceutical sciences. In keeping with the times, Institute is a conscientious steward, effectively utilizing human as well as financial resources. The interaction of administration, faculty, and students; the efficient use of physical facilities and consistent updating of the campus contribute to the quality education.
